Live in about a week.

Have these ready and we'll do the rest: your script, calendar, WhatsApp and a test week with your team.

Your business

- [ ] Business name, address and Google Maps link
- [ ] Opening hours, breaks and holidays
- [ ] Services with prices and how long each takes
- [ ] Staff names who take appointments

Your calls

- [ ] The phone number customers call today
- [ ] Who should get calls the assistant can't handle
- [ ] Greeting you'd like (we suggest one)
- [ ] Questions customers ask most (parking, payment, offers)

Your accounts

- [ ] A Google account for the booking calendar
- [ ] A WhatsApp Business number (we help set it up)
- [ ] Email addresses of staff who need a login
- [ ] Details to collect on each call (e.g. budget, reason)

Test week

- [ ] Make a few test calls in Hindi, English and Hinglish
- [ ] Check bookings appear in the calendar
- [ ] Check the WhatsApp confirmation and reminder
- [ ] Switch on call forwarding and go live
